

REMARKS

In the above referenced Office Action, the Examiner divided the claims into the following groups:

Group I, Claims 1-25;

Group II, Claims 26-29; and

Group III, Claims 30-44.

In response, the applicants elect Group I without traverse. Non-elected claims 26-29 have been withdrawn rather than canceled, as claim 1 is generic to these claims. Non-elected claims 30-44 have been canceled.

Upon allowance of a generic claim, applicant requests consideration of claims to additional species, including claims 26-29, which are written in dependent form or which otherwise include all the limitations of the allowed generic claims.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 50-0665, under Order No. 030048132US from which the undersigned is authorized to draw.
